

Forklift Truck Operator

Haverfordwest, Pembrokeshire

We are now seeking to appoint a Forklift Truck Driver based at our Haverfordwest Creamery.

About Us

First Milk is a wholly British farmer-owned dairy co-operative with a vision to create value for members by delivering long-term prosperity in the form of success, profitability, security and wellbeing.

Owned by the family farms that supply us with milk and invest capital in the business, we produce award-winning cheddar, regional cheeses and dairy ingredients, as well as marketing fresh raw milk to many other UK dairy processors.

We work together as one team, with a relentless focus on efficiency and quality, to deliver competitive total returns to our farmer members. We put customers at the heart of our business, creating value through strong, long-term partnerships.

We are currently looking for a Forklift Truck Operator to join us and deliver a first-class service.

The Benefits:

- Competitive salary
- 18 days' holiday plus Bank Holidays
- Pension

As a farmer-owned business, our vision is to work together to deliver prosperity. Everything we do, every day, is about delivering competitive returns, security and stability for our farmers.

The Role

You will be a proactive member of the Supply Chain team with a key focus on ensuring an efficient production flow of 20kg blocks exiting the rapid chill store to the palletiser and on to onward dispatch vehicles.

Working as part of the Supply Chain team, you will:

- Continually assess the performance of the rapid chill store & associated equipment to defined parameters
- Day to day pre-start checks & basic maintenance (battery top up etc) of the fleet of FLT's
- Ensures adequate working stocks of materials available for continuous running
- Completion of all quality control checks & associated documentation as advised by line management
- To communicate effectively with other production workers and management
- To carry out effective peer to peer handovers
- To advise & work collaboratively with engineering colleagues on fault finding and the implementation of suitable corrective action.
- Maintaining a high level of environmental hygiene & housekeeping
- Assisting the wider cheese making team as & when directed
- Managing salt intake

About You

To join us, you will need:

- R.T.I.T.B or equivalent fork truck license
- Qualified to GCSE (or equivalent) level, in Maths and English
- Good general & computer literacy, with the ability to populate simple databases & spreadsheets effectively and use email systems effectively
- Able to remain calm under pressure
- Able to work unsupervised

So, if you're seeking your next challenge, please apply via email to recruitment@firstmilk.co.uk
